To Property Owners of Foxwood Hills,

We understand there's been comments made on social media about the Hatteras process service. Certified mail was sent on July 25-26 to all Hatteras property owners who had not personally picked up their summons at the POA office.

The Board wants property owners to understand that after we became aware of possible inappropriate affidavits of service, it was immediately brought to the attention of POA attorneys on July 26. The Board also told the attorney to reserve by certified mail those individuals who were affected by the process server.

We also responded by sending an E-blast to the community on July 29<sup>th</sup>.

We hope this clears up this situation. Again, we apologize for the confusion.

Respectfully,

Louise Moisan, President  
Foxwood Hills POA
